Dear Dan,

It's summer, so I'm keeping this edition of "Living With Purpose and Passion" brief. Below you'll find music, reading, and quotes with a lighter touch, and a special offer for **\$25 off any astrology session until August 31st**. There's also news about my counseling services for individuals & couples, and my class on astrology & Christianity, which I'll be offering again this fall. Whether you're spending your summer at the beach, in the woods, or sipping iced tea on your own deck, I hope you'll find something here to renew your spirit.

~Dan

### **\$25 off Astrology sessions until August 31st!**

Come in for an astrology session by August 31st, or do one over the phone, and I'll take \$25 off the price. If you've been wanting to give astrology a try, here's the perfect opportunity. You can save \$25 on any type of session I offer--birthcharts, current cycles, or relationship/synastry (for more info on these, visit my [web site](#)). I record the reading for you on 2 CDs, and include free color copies of your charts. To schedule an appointment, call me at (206) 523-1340.

### **Resources for a richer life**

"Beauty," an essay by **Scott Russell Sanders**. Starting with an intriguing comparison of images from the Hubble telescope with his daughter's wedding gown, Sanders offers a thoughtful and inspiring reflection on the nature of beauty. Read the essay [online](#), or find it in the Spring 1998 issue of [Orion](#) magazine, in which it originally appeared). "Beauty" was honored with inclusion in *Best American Essays 1999*.

"How Did You Find Me Here" a CD by **David Wilcox**. David has long been one of my favorite singer/songwriter/guitarists, and this CD from 1989 is one I go back to over and over again. For a glimpse of the world through Wilcox's eyes, treat yourself to the lyrics from "[Leave It Like It Is](#)."

## **Astrology & Christianity class coming this Fall!**

I'll be offering my three-week class on astrology & Christianity again this Fall, Nov 17 & 24 and Dec 1 at University Unitarian Church. Mark your calendar now! Details will be in the Autumn edition of this newsletter, and on my [web site](#).

"They Followed A Star: Astrology & Christianity As Allies On The Journey." Just as the Magi followed a star to find Jesus, we can look to the stars for help in discerning God's plan for us. Drawing on biblical theology, psychology, music, poetry, and more, we'll explore the connections between Astrology & Christianity, and look at how astrology can support and deepen our journeys as men & women of faith.

If you'd like me to come speak to your business, school, community group, church, or other organization, call me at (206) 523-1340, or email me by clicking [here](#).

## **Quotes for inspiration and action**

"You can't have everything--where would you put it?" (Steven Wright).

"All generalizations are bad." (R.H. Grenier).

"Like all parents, my husband and I just do the best we can, and hold our breath, and hope we've set aside enough money to pay for our kids' therapy." (Michelle Pfeiffer).

"I knew we were in for a long season when we lined up for the national anthem on opening day and one of my players said 'Every time I hear that song I have a bad game.'" (Jim Leyland, Manager of the Detroit Tigers).
